<p>Studies show that children <u>can lose as many as 3 months</u> of reading skills over one summer break. This can become a full year and a half of reading skill loss after the first six years of school. Please read to and with your children everyday this summer! Also, reinforce math skills through everyday activities like cooking (measuring items, doubling or halving recipes), counting money, telling time, and making patterns.</p> <p>Summer Academy for invited students begins Monday, July 16th.</p>			<p style="text-align: center;">1</p> <p style="text-align: center;">Field Day All books due back to the Media Center</p> <p style="text-align: right;">B</p>
